Reminder: Second ARPA input session to be held bilingually this Saturday

Residents throughout the city are encouraged to show their love for Milwaukee by sharing their input on how they believe the city's remaining \$92.7 million in federal **American Rescue Plan Act (ARPA)** funding should be spent during the two remaining public input meetings scheduled this month. The next of these listening sessions will be held bilingually—in both English and Spanish—this upcoming **Saturday, February 11 from 10 a.m. – noon at the Mitchell Street Library, 906 W. Historic Mitchell St.**

"It's imperative we hear from Milwaukee residents as far as what the priorities are in their neighborhoods which is why we're grateful to those who attended our first session on the fourth and looking forward to good turnout this Saturday," **Alderwoman Milele A. Coggs**, chair of the city's **ARPA Funding Allocation Task Force**, said, "These sessions are an opportunity for community members to voice how and for what they believe ARPA dollars should be invested. All who would like to share their thoughts are welcome and encouraged to attend one or more of these listening sessions."

Additionally, members of the public are invited to provide input via an online survey available in three languages as follows: https://engagemke.com/arp/survey_english/; https://engagemke.com/arp/survey_spanish/; https://engagemke.com/arp/survey_hmong/

A quorum of ARPA Funding Allocation Task Force members may or may not be present. In the event of no quorum, no action other than information gathering will be taken. Additional information can be found by visiting milwaukee.gov/LoveMyMKE.
